- b) In order to start a game, at least eight players must be fielded. If the game starts with eight players on either team, the first late arrival must bat in the 9th batting position.

- c) All players must play three defensive innings per game unless a player becomes ill or injured. All players must play at least one defensive inning in the infield unless there is a safety concern with the player.
- d) No game penalty shall be assessed as a result of a player not playing three full innings due to an abbreviated game; including the home team not playing the bottom of the 6th inning, provided the player has been inserted in time to play three full innings. If a player does not play 3 full innings, they shall start the next game. *(Coaches not adhering to this rule are subject to league suspension)*
14. All game protests will be in writing and forwarded to the Director of Baseball for review. NOTE: There will be no protests on judgment calls.

21. No player can pitch and catch more than 4 innings, combined, in any rec game.
22. Runner who head first slides INTO any base is automatically out. Base runner may slide head first back into base.
23. Base runner must slide or avoid the catcher on a play at home plate. If umpire rules that base runner did not slide or avoid then runner will be called out and run does not count. If umpire determines that base runner intentionally ran into catcher then base runner is out, run does not count and player will be ejected from the game.

 - a. Rec games will take priority over travel games and travel practices. The “league scheduler” will try not to create overlaps with the schedules.
 - b. The practice portion of the rule will only apply when there are 2 or few rec practices in a given week.

SECTION II – PLAYING RULES

1. Play stops when the pitcher has the ball on the pitchers mound.
2. One-base advancement on an overthrow (all runners). Note: There will be no advancement on an overthrow from the catcher to pitcher.
 - a. There is no advancement from 1st base to 2nd base or from 3rd base to home on an attempt by the catcher as a pick-off at 1st base or 3rd base. Thus, the runner is at risk with no advancement opportunity at 1st and 3rd base.
 - b. A runner can advance from the base if a player other than the catcher makes an attempt on the runner at 1st and 3rd base.
3. Stealing is permitted to 3rd base only. No advance on an overthrow. There will be no stealing of home.
 - a. No delayed stealing is allowed when the ball is not in play. A ball is considered not in play once it crosses the plate and the runner has not made an immediate attempt to steal
4. Once a team scores 5 runs in an inning the inning is over regardless of how many base-runners may follow the batter.
 - a. Exception: If the batting team is up by 4 runs with runners on base and the hitter hits a home-run that is over the fence all runs will be counted for the hitting team. This only applies to home-runs that are hit over the fence.
 - b. Does not apply in 6th inning or final inning of the game if less than 6 innings as determined by the umpire.
5. If, in the judgment of the umpire, a batter recklessly throws the bat after hitting the ball, the batter and his/her coach shall be warned on the first offense and shall be called out on the second offense. No runner shall advance if the batter is called out.
6. If, in the judgment of an umpire, a player throws any piece of equipment in a derogatory manner, the player shall be ejected from the game. No warning is necessary.
7. A maximum of two offensive conferences per inning are permitted. (An offensive conference is the meeting with a batter or runner by any of his coaches).

8. No offensive player may interfere, obstruct or confuse a fielder attempting to make a play. Batter or runner is automatically out.

9. An infield fly is a fair ball which, in the judgment of the umpire, can be caught by an infielder with ordinary effort when first and second base are occupied or bases are loaded with less than two outs. Umpire declares batter automatically out and runners advance at their own risk. Umpire must call infield fly for it to occur.

10. Any thrown baseball rolling under a fence between first and home or third and home is considered a two base error. The runners get two bases from the base last possessed.

11. Any batter who steps on home plate while hitting the ball or steps completely out of the batter's box with foot on ground is automatically out if contact is made with the ball. If a batter is called out, the ball is dead and runners cannot advance. This applies to a full swing or bunting.

12. No run is scored if the third out of an inning is made as a result of a forced out at any base.

SECTION III – PITCHING

1. Any league player may only pitch 7 innings per calendar week.
 - a. Exception: All Spring travel players can pitch a maximum of 2 innings per Rec game and maximum of 5 innings of Rec pitching within a calendar week (Mon – Sun)
2. Monday through Sunday is a calendar week.
3. No players may pitch more than three (3) innings per game.
4. If a pitcher delivers one (1) pitch in an inning, he shall be charged for one (1) inning pitched.
5. A pitcher must have two (2) days rest between all pitching assignments in which the pitcher pitches in more than two (2) innings.

Examples of Pitching Assignments:

- a. Pitcher pitches three (3) innings on Monday may pitch three (3) innings on Thursday.
 - b. Pitcher pitches two (2) innings on Wednesday may pitch three (3) innings on Thursday (and one (1) inning on Sunday).
6. A pitcher who has been removed from the pitchers position may not reenter as a pitcher in that game.
 7. There shall be no balks, but in the event the pitcher delivers an illegal pitch (Quick Pitch) it shall be called a ball.
 8. The second trip in the same inning to the same pitcher shall automatically result in the removal of that pitcher from the game as a pitcher. **Note:** Any defensive conference with any player is considered a trip to the mound.
 9. All pitching infractions must be brought to the attention of the Director of Baseball. A forfeiture of the game will be declared unless extenuating circumstances are cited and approved by the Board of Directors. **Note:** Ignorance of this rule by a coach shall not be considered. Coaches shall confer before all games to determine pitching eligibility and requirements.
 10. While wearing a mask for protection a player may warm up a pitcher before and during the game.

11. All players wanting to pitch must be given the opportunity. Player safety should be the only reason a player is not given an opportunity to pitch. Pitchers in all divisions must pitch from the pitching rubber according the respective division pitching rules.

SECTION IV - BASE RUNNING

1. A Home Run (automatic over fence) is four bases. No appeal for a missed base. This includes any runners on base.
2. Special Base Running Rule and Interpretations:

When a pitcher is in contact with the pitcher's rubber and in possession of the ball and the catcher is in the catcher's box ready to receive delivery of the ball, base runners shall not leave their bases until the ball has been delivered and reached the batter. The violation of one runner shall affect all other runners.

- a) When a base runner leaves the base before the pitched ball reached the batter and the batter does not hit the ball, the runner is permitted to continue. If a play is made on the runner and the runner is out, the out stands. If said runner reaches safely the base to which the runner is advancing, that runner must be returned to the base occupied before the pitch was made, and no out results.
- b) When a base runner leaves the base before the pitched ball has reached the batter and the batter hits the ball, the base runner or runners are permitted to continue. If a play is made and the runner or runners are put out, the out or outs stand. If not put out, the runner or runners must return to the original base or bases or to the unoccupied base nearest the one left. In no event shall the batter advance beyond first base on a single or error, second base on a double or third base on a triple. The umpire-in-chief shall determine the base value of the hit ball.
- c) When any base runner leaves the base before the pitched ball has reached the batter and the batter bunts or hits a ball within the infield, no run shall be allowed to score. If three runners were on the bases and batter reaches first safely, each runner shall advance to the base and beyond the one occupied at the start of the play except the runner who occupied third base, which runner shall be removed from base without a run being scored.

Note: Exception, if at the conclusion of the play, there is an open base, paragraphs (a) and (b) will apply.

d) Listed below are interpretations of the above rule:

(In all of the following examples, it is assumed the batter-runner stays at the base last acquired safely.)

1) Tom, the Runner on **first base**, leaves early and Bill the Batter reaches safely: **Ruling: Tom advances to second base.**

2) Tom, the Runner on **second base**, leaves early and Bill, the Batter reaches **first base** safely: **Ruling: Tom returns to second base.**

3) Tom, the Runner on **third base**, leaves early and Bill, the Batter reaches **first base** safely: **Ruling: Tom returns to third base.**

4) Tom, the Runner on **first base**, leaves early and Bill, the Batter **doubles**: **Ruling: Tom goes to third base.**

5) Tom, the Runner on **second base**, leaves early and Bill, the Batter **doubles**: **Ruling: Tom returns to third base.**

6) Tom, the Runner on **third base**, leaves early and Bill, the Batter **doubles**: **Ruling: Tom returns to third base.**

7) The bases are **loaded** and Bill the Batter **triples**: **Ruling: All runners score even if any or all of the runners left early.**

8) Tom is on **first base** and Bill is on **second base**, either Tom or Bill leaves early and Joe reaches first base safely:

Ruling: Tom and Bill move to second and third respectively.

9) Tom is on **first base** and Bill is on **third base**, either Tom or Bill leaves early and Joe hits a double: **Ruling: Tom advances to third and Bill scores.**

10) Tom is on **first base** and Bill is on **third base**, either Tom or Bill leaves early and Joe reaches first base:

Ruling: Tom advances to second and Bill stays on third base.

11) Tom is on **first base** and Bill is on **third base**, either Tom or Bill leaves early and Joe doubles:

Ruling: Tom advances to third and Bill scores.

12) Tom is on **second base** and Bill is on **third base**, either Tom or Bill leaves early and Joe reaches first base:

Ruling: Tom and Bill remain at second and third respectively.

13) Tom is on **second base** and Bill is on **third base**, either Tom or Bill leaves early and Joe doubles: **Ruling: Tom advances to third and Bill scores.**

14) The bases are loaded and Joe, the Batter doubles. Any of the runners leave early: **Ruling: Runner on first base goes to third and the other two runners score.**

15) The bases are **loaded** and Joe, the Batter reaches **first base** on a **bunted ball** or an **infield hit**. Any of the three runners leave early, except the runner on third base, all the other runners advance on base:

Ruling: The runner advancing from third is removed, no runs score and no out is charged. If on this play an out at any base is made, the runner originally on third base returns to that base.

16) The bases are **loaded** and Joe, the Batter is **walked** or hit by a pitch. Any of the runners leave too soon:

Ruling: Each runner advances one base, with the runner on third scoring.
